**RATE CODE E200
SMALL COMMERCIAL RATE**

AVAILABILITY

This rate schedule is available to non-domestic electric customers within the territory served by the CPW.

This rate schedule is applicable to non-domestic customers who have demand loads less than 30 kW. In addition, this rate schedule is applicable for temporary service for construction or any other temporary purposes.

Standby or resale service is not permitted under this rate schedule.

CHARACTER OF SERVICE

Service under this rate schedule shall be 60 Hertz through one meter, at one delivery point, at one of the approximate voltages:

- Single-phase, 120/240 volts; or
- Three-phase, 208Y/120 volts, 460Y/265 volts, 480Y/277 volts; or
- Three-phase, three-wire, 240, 460, 480 volts; or
- Three-phase voltages other than these listed may be available at the option of the CPW.

Where three-phase service is not available, it may be extended to the customer's premises at the CPW's discretion. The customer may be required to participate in the expense of extending such service.

Motors of less than 5 H.P. may be single-phase. All motors of more than 5 H.P. must be equipped with starting compensators.

SPECIAL CONDITIONS

Before wiring any premises or purchasing equipment for same, the customer shall give the CPW notice in writing of the location of the building, together with a list of electrical devices to be used thereon, and shall ascertain in the character of service available at such premises. The CPW shall specify the voltage and type of electrical service to be furnished, as well as the location of the meter and the point where the service connections shall be made.

Any applicable sales tax will be added to the monthly bill as determined above.

INTERRUPTION OF SERVICE

The CPW will make reasonable provisions to ensure satisfactory and continuous service, but does not guarantee a continuous supply of electrical power and energy and shall not be liable for damage occasioned by interruptions of service or failure to commence delivery caused by acts of God, or the public enemy, or for any cause reasonably beyond its control, including, but not limited to the failure or breakdown of facilities, floods, fire, strikes, or action or orders of any agency having jurisdiction in the premises, or for interruptions which are necessary for inspection, repair, or changes in equipment or facilities of the CPW or its bulk power suppliers. The customer shall notify the CPW immediately of any defects, trouble or accident that may in any way affect the delivery of electric service by the CPW.

PAYMENT

Bills are due and payable on the date of the bill at the offices of the Greer Commission of Public Works. Bills are past due and delinquent on the nineteenth (19th) day after the date of the bill, at which time customer will be assessed a late charge equal to five percent (5%) of the unpaid past due amount. Disconnection may occur on the 29th day after the date of bill or thereafter, unless prior arrangements have been made with the CPW. Any customer who has his or her services terminated for non-payment shall also be subject to a \$50.00 reconnect fee for services to be restored during normal business hours or a \$75.00 reconnect fee if services are restored after normal business hours.

OBLIGATIONS

The obligations of the CPW in regard to supplying electric service are dependent upon its securing and retaining all necessary rights-of-way, privileges and permits for the delivery of such service. The CPW shall not be liable to any customer or applicant for electric service in the event it is delayed in, or is prevented from, furnishing the electric service by its failure to secure and retain such rights-of-way, privileges and permits.
