

**GREER CPW
SEWER SERVICE SCHEDULE**

**RATE CODE S850
RESIDENTIAL TAYLORS SEWER SERVICE
INSIDE CITY LIMITS**

AVAILABILITY

This rate is available to residential sewer customers located within the CPW's service area and inside the corporate limits of the Taylors Fire and Sewer District, and sewer collection is in the Enoree Basin, a sewer Basin that is treated by Renewable Water Resources (ReWa). The CPW is only responsible for the collection of the sewer and transportation to, by way of the CPW collection lines, the ReWa approved facilities.

BASE CHARGES

Facilities Charge: \$14.12
Volume Charge: All gallons \$4.607 per 1,000 gallons

Plus a treatment fee from ReWa of (\$800):

Facilities Charge: \$12.00
Volume Charge: All Gallons \$5.86 per 1,000 gallons

The Renewable Water Resources (ReWa) rates are subject to change on March 1 of each year and can be located at <http://www.rewaonline.org/wastewater-treatment-rates.php>. The CPW and Taylors Fire and Sewer District will adjust its billings to reflect ReWa's rate increases as they occur.

SEWER CAP

Taylors Fire and Sewer District will not bill a residential customer for monthly sewer flows in excess of the following:

<u>Months</u>	<u>Billing Cap (gallons)</u>
May - October	5,000

The ReWa will not bill a residential customer for monthly sewer flows in excess of 7,000 gallons during the summer billing months of April through September.

MINIMUM MONTHLY BILL

The minimum monthly charge shall be the "Facilities Charge" from the CPW and ReWa.

INTERRUPTION OF SERVICE

The CPW will make reasonable provisions to ensure satisfactory and continuous service, but does not guarantee a continuous supply of sewer and shall not be liable for damage occasioned by interruptions of service or failure to commence delivery caused by acts of God, or the public enemy, or for any cause reasonably beyond its control, including, but not limited to the failure or breakdown of facilities, floods, fire, strikes, or action or orders of any agency having jurisdiction in the premises, or for interruptions which are necessary for inspection, repair, or changes in equipment or facilities of the CPW. The customer shall notify the CPW immediately of any defects, trouble or accident that may in any way affect the delivery of sewer by the CPW.

SINGLE POINT COLLECTION

The above rates are based upon the supply of service to the customer's premises through a single collection point. Separate supply for the same customer at other points of collection shall be separately billed.

PAYMENT

Bills are due and payable on the date of the bill at the offices of the Greer Commission of Public Works. Bills are past due and delinquent on the nineteenth (19th) day after the date of the bill, at which time customer will be assessed a late charge equal to five percent (5%) of the unpaid past due amount. Disconnection may occur on the 29th day after the date of bill or thereafter, unless prior arrangements have been made with the CPW. Any customer who has his or her services terminated for non-payment shall also be subject to a reconnect fee for services to be restored. This fee can be located on the CPW *Schedule of Fees*.

OBLIGATIONS

The obligations of the CPW in regard to supplying sewer collection services are dependent upon its securing and retaining all necessary rights-of-way, privileges and permits for the delivery of such service. The CPW shall not be liable to any customer or applicant for sewer collection service in the event it is delayed in, or is prevented from, furnishing the sewer collection service by its failure to secure and retain such rights-of-way, privileges and permits.
