---

**AVAILABILITY**

This rate schedule is available to domestic electric customers within the territory served by the CPW. This rate schedule is applicable to all electric service exclusively used for domestic purposes to individual (single-family) private residences, condominiums, mobile homes, individually metered apartment units and farm homes. Power delivered under this schedule shall not be used for resale.

**CHARACTER OF SERVICE**

Service under this rate schedule shall be alternating current, 60 Hertz, single phase, at the CPW's option of standard available voltages. When the CPW deems necessary, three-phase service shall be provided at the CPW's option of standard available voltages. Where three-phase service is not available, it may be extended to the customer's premises at the CPW's discretion. The customer may be required to participate in the expense of extending such service.

**SINGLE POINT DELIVERY**

The above rates are based upon the supply of service to the customer's premises through a single delivery and metering point, and at a single voltage.

**BASE CHARGES**

**Facilities Charge:** \$12.47 per month

**Energy Charge:**

First 1,000 kWh	\$0.1088284 per kWh
Additional kWh	\$0.1198614 per kWh

**MINIMUM MONTHLY BILL**

The minimum monthly charge shall be the "Facilities Charge".

**PURCHASED POWER COST ADJUSTMENT**

Any consumption under this rate is subject to rate PPCA.

**SALES TAX AND MUNICIPAL FEES**

Any applicable sales tax or other fee assessed by or remitted to a state or local government authority will be added to the charges determined above.

**INTERRUPTION OF SERVICE**

The CPW will make reasonable provisions to ensure satisfactory and continuous service, but does not guarantee a continuous supply of electrical power and energy and shall not be liable for damage occasioned by interruptions of service or failure to commence delivery caused by acts of God, or the public enemy, or for any cause reasonably beyond its control, including, but not limited to the failure or breakdown of facilities, floods, fire, strikes, or action or orders of any agency having jurisdiction in the premises, or for interruptions which are necessary for inspection, repair, or changes in equipment or facilities of the CPW or its bulk power suppliers. The customer shall notify the CPW immediately of any defects, trouble or accident that may in any way affect the delivery of electric service by the CPW.

**PAYMENT**

Bills are due and payable on the due date of the bill at the offices of the Greer Commission of Public Works. Bills are past due and delinquent on the first business day after the due date shown on bill, at which time customer will be assessed a late charge equal to five percent (5%) of the most current unpaid past due amount. Disconnection may occur on the 11<sup>th</sup> day following the due date of bill or thereafter, unless prior arrangements have been made with the CPW. Any customer who has his or her services terminated for non-payment shall also be subject to a \$50.00 reconnect fee for services to be restored during normal business hours.

**OBLIGATIONS**

The obligations of the CPW regarding supplying electric service are dependent upon its securing and retaining all necessary rights-of-way, privileges and permits for the delivery of such service. The CPW shall not be liable to any customer or applicant for electric service in the event it is delayed in, or is prevented from, furnishing the electric service by its failure to secure and retain such rights-of-way, privileges and permits.
