

## FRIENDS OF LAKE ROBINSON

Friends of Lake Robinson has established this Memorial Scholarship Fund to remember those who are no longer with us who have faithfully given of themselves to preserve Lake Robinson as an economic, recreational and environmental resource for the Greater Greer community. One of our goals is to create a sustainable community around Lake Robinson peopled by households committed to the goals of environmental preservation, green architectural principles and economic integration. We hope that those who compete for this scholarship will follow our lead and help create such sustainable communities throughout the world during their lifetime.
