

South Carolina Cities Invitation to Negotiate (ITN)

Addendum #2

December 2, 2024

As a result of questions received from bidders concerning the SEPA Allocation the SCC is issuing Addendum #2.

Thus, the ITN shall be amended through this Addendum #2 as follows:

Replace the following sentence at bottom of page 2, *“The SEPA allocation is not firm capacity and scheduled on an “as available” basis by SEPA.”*, in its entirety with the following:

“The SEPA allocation is a Designated Network Resource under the PMPA-Duke NITSA and can be scheduled by the SCC or its Agent.”

Replace the following sentence at top of page 3, *“Therefore, in 2029 the SCC are seeking a total of approximately 229 MW of firm capacity and load following service.”*, in its entirety with the following:

“Therefore, in 2029 the SCC are seeking a total of approximately 197.5 MW of firm capacity and load following service.”
