INTERRUPTION OF SERVICE

The CPW will make reasonable provisions to ensure satisfactory and continuous service, but does not guarantee a continuous supply of sewer and shall not be liable for damage occasioned by interruptions of service or failure to commence delivery caused by acts of God, or the public enemy, or for any cause reasonably beyond its control, including, but not limited to the failure or breakdown of facilities, floods, fire, strikes, or action or orders of any agency having jurisdiction in the premises, or for interruptions which are necessary for inspection, repair, or changes in equipment or facilities of the CPW. The customer shall notify the CPW immediately of any defects, trouble or accident that may in any way affect the delivery of sewer by the CPW.

SINGLE POINT COLLECTION

The above rates are based upon the supply of service to the customer's premises through a single collection point. Separate supply for the same customer at other points of collection shall be separately billed.

PAYMENT

Bills are due and payable on the date of the bill at the offices of the Greer Commission of Public Works. Bills are past due and delinquent on the nineteenth (19th) day after the date of the bill, at which time customer will be assessed a late charge equal to five percent (5%) of the unpaid past due amount. Disconnection may occur on the 29th day after the date of bill or thereafter, unless prior arrangements have been made with the CPW. Customers who fail to pay the past-due balance by the cutoff date will be subject to a \$75 non-payment fee, which will be added immediately to the account and appear on the next billing cycle. For reconnection requests made after 3:00 PM, Monday through Friday, that require a same-day technician visit, an additional \$100 fee will apply and will be reflected on the next billing cycle.

OBLIGATIONS

The obligations of the CPW in regard to supplying sewer collection services are dependent upon its securing and retaining all necessary rights-of-way, privileges and permits for the delivery of such service. The CPW shall not be liable to any customer or applicant for sewer collection service in the event it is delayed in, or is prevented from, furnishing the sewer collection service by its failure to secure and retain such rights-of-way, privileges and permits.
