PAYMENT

Bills are due and payable on the due date of the bill at the offices of the Greer Commission of Public Works. Bills are past due and delinquent on the first business day after the due date shown on bill, at which time customer will be assessed a late charge equal to five percent (5%) of the most current unpaid past due amount. Disconnection may occur on the 11th day following the due date of bill or thereafter, unless prior arrangements have been made with the CPW. Customers who fail to pay the past-due balance by the cutoff date will be subject to a $75 non-payment fee, which will be added immediately to the account and appear on the next billing cycle. For reconnection requests made after 3:00 PM, Monday through Friday, that require a same-day technician visit, an additional $100 fee will apply and will be reflected on the next billing cycle.

OBLIGATIONS

The obligations of the CPW in regard to supplying water service are dependent upon its securing and retaining all necessary rights-of-way, privileges and permits for the delivery of such service. The CPW shall not be liable to any customer or applicant for water service in the event it is delayed in, or is prevented from, furnishing the water service by its failure to secure and retain such rights-of-way, privileges and permits.
